Coach Uri New All-Stars Head Coach

Uri Verthime has been involved in cheer since 2008, winning multiple first place and grand champs victories including 2 x ICU first place victories with Team England adaptive abilities. As an athlete he has competed at worlds both in IASF and with Team England Coed at ICU. He is an internationally recognised judge and is the head coach of Blackout Evolution, an adults only program in East London that are going back to Worlds this season for the second time. Having worked with The Angels on and off since 2010, he is very much looking forward to overseeing our competitive teams and fulfilling on The Angels' mission of raising the overall level and standard of the programme.

PROPOSED INITIAL TEAMS FOR THE 2024-25 SEASON

- **Youth or Junior Level 1/Prep-
Barcelona**
- **Open/Masters-
Hawaii or Barcelona**
- **1 or 2 X-Strong Bid Hunting/Elite
Teams with potentially Paris**

Additional comp teams & higher level stunt groups may be added at any point during the season, based on athlete progression in Dev Progs. Bid Hunting involves competing at selected competitions that offer Bids to compete in the U.S in 2026.

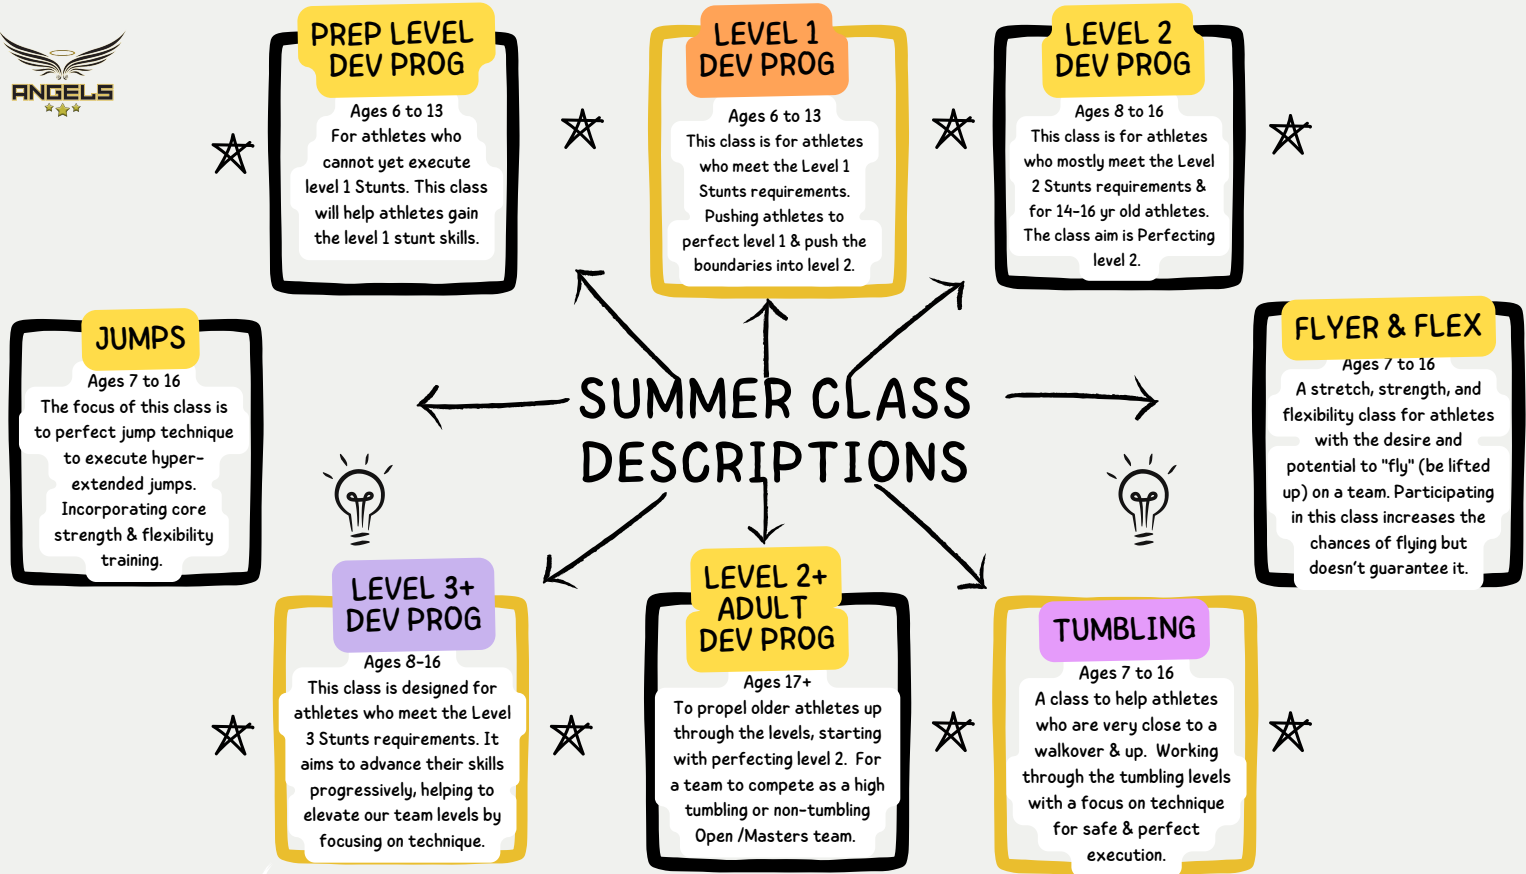

Athletes will now begin training in our Summer Programme to gain and perfect skills, preparing them for early season competitions. Following the Summer Programme, athletes demonstrating strong skills at our chosen levels will be hand-picked and invited to join one of our competitive teams.

If you cannot attend any of the Summer Programme classes but still wish to compete, please REGISTER YOUR INTEREST. We will contact you closer to September to arrange an observation.

We encourage athletes to use the summer to perfect their skills. Selection will be based on team requirements, so even if you are not strong in all areas, you may still be invited if you excel in specific skills needed to make the team strong. Our goal is to create the strongest and most successful teams possible, and we look forward to seeing our athletes thrive.

Please register your interest [here](#) to compete, or on our website.

Not ready to compete? No problem! In our Development Programmes, you can work your way up through the levels gradually over time.
